Stories and Activities
for Young Children

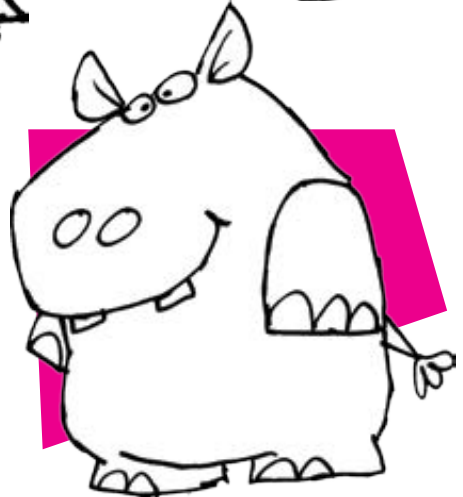

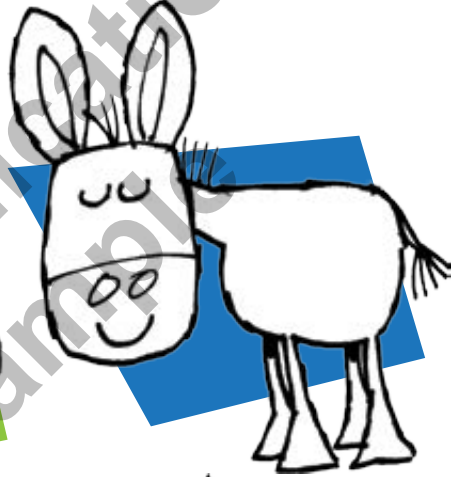

It had been a long day
For both Joseph and Mary.
It had been a big load
For a donkey to carry.

And poor Joseph worried
Along the whole way.
“When we finally get there,
Just where will we stay?”

Color these animals.
Then circle the ones that may
have been at the First Christmas!

A Christmas Poem

The bed where baby Jesus lay
Was in a manger built for hay.
The cow and chicken stood nearby,
And crickets sang his lullaby.
The donkey and the sheep looked in
As spider spun a web for him.
They watched as Mary kept him snug,
The Lord of bird and beast and bug.

Every creature on
earth can welcome
the baby Jesus.
What can you do this
Christmas?
