THANK GOD FOR

Fathers

We have a good example, we fathers ...

... an example so good, in fact, as to be unattainable.

Still, the God who bids us call him "father" displays the sort of understanding that forgives even our missteps ... and celebrates with us the joys of fatherhood.

That is what this little book is, after all ... a celebration of fatherhood.

Take it as no more ... and no less.

And allow the prayers, the readings, the poems ... and the voices of the little children ... to open the doors of a father's heart.

I thank you for giving me a dad because he gives me neat things, and I love him Amen.

I Still Lose Myself in the Memories

... of elaborate building-block architecture ...

... of "Goldilocks and the Three Goats" and other twisted tales ...

... of terrible puns told with a wicked grin ...

... of after-school frisbee tosses in which the frisbee always came directly to me but never quite made it to him ...

... of lessons and lectures that seemed so wise ...

... of a garage filled with the scent of fresh sawdust and polyurethane ...

... of visits to an office where he seemed so little like himself ...

... and trips on Amtrak, "because everybody should."

I still lose myself in the memories ...

Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord.

EPHESIANS 6:4

when I am with my dad I feel Happy.

my dad is the world's best

Whenever my dad Laughs, he makes me feel happy. It makes me want to Laugh. De alise

Be imitators of God, therefore, as dearly loved children and live a life of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God.

EPHESIANS 5:1-2

My favorite thing my dad does with me is spend time with me! ... GALE

I love it when my dot sings.

Am I Being Watched?

Am I being watched, O Lord?
Is there ever a time
when I am not being observed?
And learned from,
for better or for worse?
And imitated! —
The way I hold a baseball bat,
or a canoe paddle,
or a tool, or a book,
or my fork and spoon ...
or someone I love.
I AM being watched, O Lord!
And imitated!

There are times when that is cute, I suppose; at least that's what others say who watch it happening.

And I guess I'm proud to see a kind of mirror-image of myself, someone who thinks I am worth imitating.

Thank you for that great honor, dear Lord God!

Please help me to be worthy of it.

Since I AM being watched—
more often than I realize—
let everything I do be something
I would not be ashamed to see
as a reflection on me.

A COLLECTION OF PRAYERS, SAYINGS AND SCRIPTURE FOR FATHERS

There is poetry in this book, to be sure ... as there are prayers ... and profound words of Scripture.

But there is something more ...

At the heart of this book you will find the seeking, smiling, innocence of children.

What else can make the heart of a father so light?

What else can make a father ... a dad?

Pear Heaventy fathers
