# ARISE AND SHINE

## *A Series of Special Services for Advent*

Welcome the Christ Child, who is the light of the world, this Advent. Author **Rev. Reed Lessing** focuses on a different aspect of the light of Christ in this series designed for traditional worship. Lessing encourages us in celebration, how we may shine with the light of Christ for all the world to see the brightness of his love. to kindhearted gentleman, revealed most clearly in his change of heart toward Tiny Tim, so we move from enemies of God to friends through the birth of the little Lord Jesus, who came to save us from our past and present that we might be blessed in all our future days.

Past, Present and Yet to Come

By David Mead

Introduce children to the characters in Charles Dickens' beloved story, *A Christmas Carol*, in a way that places new focus on the true past, present and future of Christmas joy—our Lord Jesus. Included is an accompanying activity sheet used to create a Christmas Carol playset. Each day of December, the Christmas characters share how God blesses us and prompt us to be a blessing to others.

The service uses the words *substance* and *increase* from Proverbs 3:9 to help make that distinction.
