“Prepare ye the way of the Lord,” the prophet Isaiah announces to us this Advent. These devotions by Reed Lessing for this sacred season show us ways to prepare for our coming King. Each devotion focuses on the history and meaning of a beloved hymn or carol sung in the Church in the weeks leading up to Christmas. The poetic and profound messages found in these tunes of old help us to recognize how we can best prepare for the Christ Child in our hearts today.

a) Children's Devotional These daily devotions by Stephenie Hovland teach children about Jesus' family tree, a tree that tells the Old Testament history leading up to Jesus' birth and about our salvation story. We sometimes call this family tree the Jesse Tree, named after one of Jesus' very faithful ancestors. The branches of the Jesse Tree stretch all the way back to the garden of Eden, and in those branches you'll find familiar names like David and Ruth, Abraham and Jacob. When God sent Jesus to be a child in Bethlehem, we were made a part of the great, growing family tree, too. *Ages 6-10.*

Throughout the four Sundays of Advent and Christmas Day, the story unfolds in simple-to-do children's messages for classrooms or worship settings. Branch out this Advent... with the Jesse Tree!

There's something for the whole family in this collection of Advent products that both teach and delight.

As foretold in the Old Testament, God promised us a Savior. Follow the salvation story forward with every Jesse Tree product. Use the visuals of the tree and branches to trace the family line of Jesus. Be amazed to learn that through Jesus, we are made part of God's family too.

How to use these pieces together:

Introduce & Teach the Message

Use the Children's Sermons as a springboard to teach 5 messages through Advent and Christmas Day! The message is told through object lessons for a children's church or thematic unit in Sunday School or mid-week ministry.

Reinforce the Message

Colorful bulletins illustrate the lessons and engage learning with activities. Children can complete the activities as a group, at home with parents or independently in the pew.

Build excitement with activity sheets that give each child a tree to assemble and grow through the season. Each day, children look forward to adding to their tree throughout Advent.

Send the Message Home

Get the whole family involved with a daily message from the Children's Devotional and give Praying The Jesse Tree to the adults to pray through too!

The message for all to see ...

Through Jesus, we all have a place in God's family tree.

This faithful and often fun Advent devotional booklet helps young people imagine what working on that highway might really look like. Will we literally put on an orange helmet and tear up the streets? Or does preparing the way for the coming Savior involve a little more internal re-construction? PREPARE YE

A SERIES OF SPECIAL SERVICES FOR *Advent*

Week 1

Week 2

Week 3

Week 4

Prepare ye! That is what we are called to do in Advent. Prepare for the Lord.

The coming of Christ as a little baby to save us was something that the world was not at first prepared for. But birth announcements by shepherds and angels brought to the attention of all people that Jesus' birth was worth preparing for. It is our time now in this season to continue the age-old practices of preparation to his glory.

NEW Weekly Advent Series

In this series for traditional worship for Advent, we contemplate the many ways we prepare ourselves for the coming of the Christ Child on Christmas, taking cues from the psalms of old and from those whom God chose to play a part in the story of our Lord's birth. As we draw near to the manger bed of our Savior from sin and death, our hearts prepare him room for his everlasting love.

Week 1: Ponder (Psalm 48:9) We consider ways in which we can ponder the meaning of the birth of our Savior through the reading of Scripture and through reflection. Mary serves as a model for us in this pondering in the Annunciation.

Week 2: Pray (Psalm 69:13) We think about ways in which we can take more time during this season to communicate to our God through prayer as we wait for Christ. Zechariah, who went to the temple to pray, serves as an example for us of how hard that waiting in prayer can be.

Week 3: Praise (Psalm 30:4) We celebrate the upcoming arrival of our Savior through songs and shouts of praise as we prepare for him. Elizabeth, in her greeting of Mary, provides a benchmark for rejoicing with others over the good news of salvation in Jesus, even as we wait.

Week 4: Proclaim (Psalm 145:6) We contemplate how we can prepare ourselves and others for the arrival of Jesus through our proclaiming. John the Baptist stands as the forerunner of all future proclaimers of Christ and gives us the courage to use our own voices to proclaim our devotion to the One who is born to save.

Help Members Prepare During the Week

Companion devotional booklet "Prepare ye the way of the Lord," the prophet Isaiah announces to us this Advent. These devotions by Reed Lessing for this sacred season show us ways to prepare for our coming King. Each devotion focuses on the history and meaning of a beloved hymn or carol sung in the Church in the weeks leading up to Christmas. The poetic and profound messages found in these tunes of old help us to recognize how we can best prepare for the Christ Child in our hearts today.

Family Advent Worship Series In this series for family worship for Advent, we contemplate the many ways we as families prepare ourselves for the coming of the Christ Child on Christmas, taking cues from the psalms of old and from those whom God chose to play a part in the story of our Lord's birth. As we draw near to the manger bed of our Savior from sin and death, our families prepare room for him in our homes.

Week 1: Ponder (Psalm 48:9) We consider ways in which we can ponder the meaning of the birth of our Savior through the reading of Scripture and through reflection. We ponder ways we as a family can keep our thoughts on Jesus. Families will make a little booklet about the promises of God.

Week 2: Pray (Psalm 69:13) We think about ways in which we can take more time during this season to communicate to our God through prayer as we wait for Christ. We pray together as a family to bless our time we share in preparation for him. Families will create prayer reminder cards.

Week 3: Praise (Psalm 30:4) We celebrate the upcoming arrival of our Savior through songs and shouts of praise as we prepare for him. We praise the Lord as a family by joining voices together in joyous melodies. Families will make invitations to Christmas worship.

Week 4: Proclaim (Psalm 145:6) We contemplate how we can prepare ourselves and others for the arrival of Jesus through our proclaiming. We announce as one family our belief in and adoration for our loving Lord. Families will create wooden craft stick crosses.

Each service features a sermon, a group activity and prayers, along with newsletter/bulletin notices about the series.

The kit includes everything you need for each service as well as a CD-ROM (Mac/PC) with the text of the entire kit in .rtf (rich text format), newsletter/bulletin notices, hymns, visual media recommendations, contemporary music song suggestions and PowerPoint documents of all the services with images and text (along with a copyright release) for use on screens.

CELEBRATE CHURCH HERITAGE

Reformation Sunday is October 25

NEW!

This service of thanksgiving is divided in three sections with a sermonette, song, and Bible reading for each section.
