A picture of a boat

Message

Q Can any of you tell me what this is? (*Hold up the picture of a boat.*) That's right! It's a boat. How many of you have been on a boat? (*Allow the children to respond.*) One night the disciples were on a boat to get from one side of a sea to the other. But Jesus was not with them. Then there was a fierce storm. But in the midst of this storm, Jesus came toward the boat, walking on the water. The disciples were scared and thought Jesus was a ghost. But Jesus said to them, "It is I. Do not be afraid."

The disciple Peter asked Jesus if he could walk out on the water to meet Jesus, and Jesus said, "Come." So Peter walked out on the water toward Jesus, but then he got

scared of the wind and the waves and started to sink until Jesus pulled him out of the water. "O you of little faith," Jesus said.

This story reminds us of our own lives. Our life is like that boat that the disciples were in. We are fine and enjoying ourselves until the storms of life come. We get sick or someone dies or there is something hard we have to do. Then we get scared.

Jesus comes toward us to help us, but sometimes we are even afraid of him. But Jesus tells us, like he told the disciples, "Do not be afraid." When we put our faith in Jesus, we do not have to be afraid. He is always there to lift us up when we lose our confidence in him. He is always there to bring us back to our life boats, where we are safely loved and protected and cared for.

Whenever you see a boat or a picture of a boat, think about this story and remember that Jesus comes to us wherever we may be in our life boat and takes away all our fears. We can always trust in him to help us.

Prayer

- 📖 Jesus, come to us wherever we may be and reach out to us with your helping hand. Amen.

A picture of praying hands

Message

L Can any of you tell me what this is a picture of? (*Hold up the picture of praying hands.*) That's right! It's a picture of praying hands. Can you all fold your hands right now with me? (*Allow the children to fold hands.*) When do we fold our hands like this? (*Allow the children to respond.*) That's right! We fold our hands like this when we pray to Jesus.

In our Bible story for today, we read about a woman who said a prayer right to Jesus. She simply prayed, "Help me!" You see, her daughter needed healing right away.

But Jesus didn't answer the woman's prayer right away. He was quiet. Jesus doesn't always answer our prayers right away, does he? Sometimes we have to wait.

But not hearing anything from Jesus at first did not stop the woman from praying to him. She kept on praying, and so should we. Don't let the silence stop you! A yes may be on the way.

Sometimes it seems like the answer to our prayers is no. But that did not stop the woman in the story either. She let Jesus know that she knew she did not deserve his goodness to her, but Jesus could still grant her request by just a little bit of his grace.

By grace, Jesus said yes to the woman's prayer, blessing her daughter with healing.

By grace, Jesus continues to say yes to our prayers, maybe not in the way we want or at the time we desire, but according to his will. So keep the prayers coming, because Jesus is always there to listen.

Prayer

- ① Jesus, thank you for listening to our prayers and answering them in the way that you see is best for us. Help us to pray faithfully and boldly, trusting that you will always be there for us. Amen.

How Sweet the Name of Jesus Sounds; O, How I Love Jesus

Needed

A sheet of paper with the name "CHRIST" on it and
a sheet of paper with the name "SON OF GOD" on it

Message

📖 Jesus once asked his disciples, "Who do people say I am?" And there were lots of answers, it turned out! Some said John the Baptist. Some said Elijah. Some said Jeremiah. But the only right answer came from the disciple Peter, who said, "You are the Christ, the Son of the living God." (*Hold up the "CHRIST" paper.*) Does anyone know what the name "Christ" means? It means "Anointed One" or "Chosen One." It means that Jesus was the chosen one that God sent to save us.

Peter knew, too, that Jesus was the Son of God. (*Hold up the "SON OF GOD" paper.*) That means that Jesus is both human and divine. Peter let all who were gathered

there know that Jesus came from heaven to earth to be with us and follow his Father's will. The good news for us all is that Jesus desires us to be part of God's family, too. We become brothers and sisters of Christ through baptism, and thus become sons and daughters of God. Jesus wants to bring us back to heaven with him on the Last Day to be with our Father and his. There we will all sing the praises of the Son of God forever.

The Bible is full of names of Jesus that tell us a story about who he is and what he does for us. For instance, Jesus calls himself the Good Shepherd. That name helps us to remember that he leads and guides us and keeps us from getting lost. The name the Light of the World reminds us that Jesus brightens our life and our world with his love and care. The Prince of Peace is a name for Jesus that highlights for us that he rules over us with comfort, stillness and quietness when everything around us is filled with chaos and confusion.

Whenever anyone asks you who Jesus is to you, think of one of these names and tell them what that name means to you and your relationship with him.

Prayer

- 📖 Dear Jesus, Simon Peter called you Christ and Son of God. May these and all our names for you bring you glory and proclaim to others who are you to us. Amen.

A picture of a cross

Message

☐ Can any of you tell me what this is? (*Hold up the picture of a cross and allow the children to respond.*) That’s right! It’s a cross. What happened on a cross like this one? (*Allow the children to respond.*) That’s right! Jesus died on a cross like this. He suffered and died on the cross so that our sins might be forgiven and that we might be saved.

Jesus told his disciples one day that this was going to happen to him. But one of the disciples, Simon Peter, did not believe him. He did not want this to happen to Jesus. But Jesus made it clear that this was something that had to happen because it was the will of God.

Then Jesus said that all those who follow him must deny themselves and take up their cross and follow him. What did Jesus mean by that? He meant that when we follow Jesus, we must no longer listen to ourselves and what we want. We must listen to him. Our crosses are those things that we do not want to do or experience, things that hurt us or bring us suffering. But they are things that are the will of God. Jesus himself did not want to go to the cross on the night before his death. He prayed, "Let this cup pass from me." But in the end, he trusted in God and said, "Not my will, but thine, O Lord" and went to the cross. And that's what we must do when we take up our crosses and follow. We must trust in what God says. We must trust that the things his Son Jesus wants for us are far greater than the things we want. And the things of Jesus bring eternal blessings. Those blessings are forgiveness, salvation, peace, hope and life. So listen closely to what Jesus says, believe what he says, and do what he says, always looking to his cross for strength. Because of that cross, a place awaits us in heaven, where we will forever be surrounded by the things of God.

Prayer

- ☐ Jesus, thank you for showing us to way to heaven through you and the cross. Help us always to listen to you. Amen.

A picture of a foam finger with a “#1” on it

Message

📖 What is this a picture of, boys and girls? (*Hold up the picture and allow the children to respond.*) That’s right! It’s a foam finger that says #1. People wave these around at sporting events as a way of saying that their team is the greatest.

In this world, who is normally considered the greatest? (*Allow the children to respond.*) That’s right. The greatest are those who win the most games, those who are the fastest, those who score the most points, those who are the biggest and strongest.

Some of Jesus’ disciples asked him, “Who is the greatest?” But his answer was far different than what we would expect. He brought a little child in front of them and

said, "Whoever humbles himself like a little child is the greatest in the kingdom of God."

This is the opposite of how the world thinks of greatness. Being great in the kingdom of God means being humble and lowly. It means being the last and the least. Greatness in God's eyes means putting God first and not glorifying ourselves. Greatness to God means trusting in him and not putting all our trust in ourselves.

Jesus went on to explain that we should get rid of those things in our lives that keep us from putting God first in our lives and making him #1. That's sometimes hard for us as human beings to do because our tendency is to want to put ourselves first. But Jesus reminds us that God takes care of each one of us and keeps us close to him. That makes God the greatest in our lives. Point your finger heavenward with me now and repeat after me, "God is the greatest!" Amen.

Prayer

- 📖 Jesus, thank you for showing us what it means to be the greatest in your kingdom. Keep us humble and help us to keep putting God first in our lives. Amen.

A picture of the word “MERCY”

Message

- 📖 What does this say? (*Hold up the “MERCY” paper and allow the children to respond.*)
That’s right! It says, “Mercy.” Mercy is a word that means forgiving. In our Bible reading for today, Jesus tells a parable about what it means to be merciful or forgiving. In the story one man owes another man a large amount of money. But the man who owes the money cannot pay the other man back. So the first man does something amazing. He shows mercy and forgives the man his debt. But then the man who was forgiven his big debt went to another man and refused to show mercy to that man and forgive the little debt he owed.

What is Jesus telling us in this story? He is telling us that God is very merciful to us and forgives us our many sins, just as the one man was very merciful to the other. Jesus is also telling us that we should be merciful to others and forgive them as God has forgiven us. We should not be like the man who was forgiven his debt but did not forgive the other man.

Showing mercy to one another means loving others no matter what they have done. Showing mercy means not holding a grudge. Showing mercy means not being angry with one another. Showing mercy means being kind and helpful in every way we can. When we show mercy, we show everyone just how great God's love for us is. There is no end to God's mercy toward us, and his love for us is everlasting. Let us show that same mercy and love toward everyone we meet.

Prayer

☞ Dear God, you are merciful beyond measure toward us. Help us to be just as merciful toward others. Amen.

Jesus answered the prayer for healing from both people. The man's daughter lived and the woman's bleeding stopped. Why? Because Jairus and the woman each had faith.

This story reminds us that no matter how we come to Jesus, he will answer our prayers because we have faith in him. Whether we come to Jesus in church to say our prayers aloud or whether we come to Jesus in silent prayer in our bedroom, Jesus will listen. With faith in our hearts, we know that Jesus can do anything we ask.

Let faith lead you to pray wherever you are and however you wish to approach the Savior. His healing will come, according to his will.

Prayer

📖 Lord Jesus, listen to our prayers for healing, and answer them through faith in you. Amen.
